

CPP30316 CERTIFICATE III IN CLEANING OPERATIONS

Key Institute is one of Australia's most trusted and innovative learning organisations. Established in 1999, we challenge the status quo of education. Our cleaning qualification is a rewarding, and engaging course of study with various delivery models. This qualification will assist in developing the skills for a career in cleaning operations.

DELIVERY OPTIONS

To successfully complete the certificate, students are required to complete 14 units of competency consisting of 5 core units, 9 elective units (of which 2 can be selected from A elective units)

We can provide two key delivery modes; online training and assessment with a work placement requirement **or** on the job training and assessment utilising our unique approach to blended learning and flipped classroom delivery.

Units of competency identified on the reverse compromise our suggested model.
